Veterans Path of Honor

As a veteran would you like to be remembered as one who has served their country?

Or did your Dad or Mom or Brother or Sister or any other friend or relative serve honorably in the U.S. armed serves? If so, you can immortalize them with a Memorial Brick in "The Path of Honor" at the American Legion Post 210 in Doylestown.

A memorial brick with the Veteran's information will be a part of the Path of Honor.

The Path of Honor is dedicated to all men and women who served honorably in defending the United States of America. Doylestown Post 210 is excited to place these memorial bricks in the Path of Honor in the brick path that leads to the main entrance of the Legion Hall. This pathway is the place to visually remember and honor the service members who faithfully served their country.

The funds from this project will be used to support current and future Veterans projects, to support Doylestown local events and to continue improving the Post so that local organizations and individuals can use it for their events.

The memorial bricks come with a lifetime guarantee. If the bricks chip or crack or if the engraving degrades, the brick will be replaced at no cost.

The memorial Finished bricks are available in two sizes – 4X8 and 8X8. The donation is \$100 for the 4X8 and \$125 for the 8X8. Pictures of these brick are on the back of this page.

The attached ENGRAVING FORM is to be completed by the person requesting the memorial brick. Please follow the instructions for completing the Engraving Form. Return the form with your donation to the listed person.

The donation for a 4 x 8 brick with three or four lines of engraving is \$100. It is recommended that only three lines are used, but if you wish, you can use four lines. Each line can have up to 18 characters.

The donation for an 8 X 8 brick with six lines of engraving is \$125. It is recommended that only five lines are used, but if you wish, you can use six lines. Each line can have up to 18 characters.

On every Memorial Day all the veterans mentioned in the Path of Honor will be remembered with a Flag Celebration - Lowering of the Flag to half-staff and a brief statement honoring them for their service.
